“Singapore Night”

The same night saw the launch of “Singapore’s Night” which took the Team of Singapore 2015 weeks of preparation. Their dreams were rewarded with more than 400 guests attending. Long queue started snaking from as early as 5,30pm at the registration counter, just meters away from the Stamp exhibition entrance. The screening of “Wolverine” was a first in any stamp official launch. Popcorns and drinks flowed as the guests found their way to the two cinema halls specially booked by the ASP.

“Singapore Night”

Team Singapore 2015 and supporters help and mingle with the visiting delegates. The MacDonald’s team were so efficient in issuing tickets and guiding the guests to the correct cinema halls.

Before the start of the movie, videos of HP, Stanley Gibbons, Singapore Tourist Board and the Marina Bay Sands were played. MacDonald’s various delicious fast food was on the dinner’s menu at the Singapore Night’s reception area. Vincent Ong declared the launching of Singapore 2015’s website and thanking all guests and sponsors for their attendance. Naturally, inviting them to attend Singapore 2015!

Goodies bag filled with Singapore Post Miniature World, 2 luggage tags, 2 limited edition postcards and a weighing scale was so well liked that guests kept coming for more! They were limited and restricted by the serialised number on the invitation ticket. Thank you Singapore for the hard work!
