Juryberättelse / Jury report

The Nordia 2015 jury is pleased to present the report on our work.

The Jury wishes to thank the organisers - Norrorts Frimärksförening - on this splendid exhibition. Especially given the situation where you had to find a new venue at very short notice, it is impressive how you have managed to create such a fantastic exhibition.

The jury would like to thank the Organising Committee led by Mats Söderberg for their superb co-operation.

The exhibits at Nordia 2015 are at a very high level and they are a really fine demonstration of how philatelic exhibiting is very much alive and developing positively. We are also impressed by the outstanding exhibits in the Honorary Class.

In one class the introduction of new regulations has had a very great impact on the results. The new FIP Regulations on Open Philately have changed the judging criteria a lot, and the results for these

exhibits are not comparable to results from the former Open Class.

Four exhibits have been transferred to other classes. H6 and T77 to the Championship Class, P64 to Aero and P206 to Thematic Philately.

The Grand Prix Nordia 2015 has been awarded in the Championship Class based on voting, while the Grand Prix National, Grand Prix Nordic, Grand Prix International and Grand Prix Open have been awarded based on points - all in accordance with the regulations.

Special Prizes were awarded to 22 exhibits, and Felicitations of the Jury were given to two exhibits.

In addition to the jurors, two experts and four apprentices have worked in the jury.

The medal levels are shown in the following table.

Thank you to all exhibitors at Nordia 2015!

The Jury have judged 154 exhibits in ten competitive classes
and have awarded medals as follows
